

Samooha Support Center – Technical Library

Welcome to Samooha Support Center's Technical Library.

We have organized our Technical Library into sections to help you easily locate what you are looking for and fix your problem immediately.

In here you can find more information on how to use our GOOMI applications.

[🔗 User Manual](#), in depth information on how to use each of GOOMI module, transaction, and report

[🔗 Knowledge Base](#), contains articles, videos, and process flow diagrams to help users get more out of GOOMI

[🔗 Frequently Asked Questions \(FAQ\)](#), you may instantly find answers to your questions here

[🔗 How to navigate this site](#), search and translation features, etc.
