

How to Select Sales Staff in POS

There are two ways to select sales staff in POS system:

1. Click on the Sales Staff drop down at the top of POS system and select the sales staff

The screenshot shows the 'Point of Sale Entry' window. At the top, there are fields for Date (14/03/2016), Receipt (<-AUTO-GENERATED->), Cash Register (RE-04 - Elvy Laptop), and Ticket Register (TR-000011). Below these, there are fields for Cashier (SI06 - Elvy) and Customer. A red box highlights the 'Sales Staff' dropdown menu, which is open, showing a list of staff members: EM01 Christopher, EM02 Amanda, EM03 Jessica, EM04 Tony, EM05 Elvy Ee, EP07 Jessica, SI01 Steve Jameson, SI02 Jeff, SI03 Chris W, SI04 Jessica, SI05 Johnny, and SI06 Elvy. At the bottom of the dropdown is a 'Select None' option. The main area of the window contains a table for items with columns: #, Barcode, Description, Unit Price, Discount, Nett Price, Total Amt, and Add Points. Below the table is a 'Payment Means' section with a table for Payment Means and Amount. At the bottom right, there are fields for Sales Amt, Sales Returns Amt, Total Qty, Total Amt, Total Tax, and Discount. A large 'Grand Total' field is also present. At the very bottom, there is a row of buttons: Recall (Ctrl R), Sales History, Customer (F7), Sales Staff (F9), Cash Book (Ctrl T), Gift Voucher (Ctrl G), Stock (F10), Close POS (Ctrl O), Pay (F5), Print (F3), Hold/Create (Ctrl N), Lock (Ctrl F12), and Delete (F4).

2. Click on the Sales staff box at the bottom of POS system, select the sales person and click **"OK"** button.

This screenshot shows the same 'Point of Sale Entry' window as the previous one, but with the 'Sales Staff' button at the bottom highlighted by a red box. The 'Sales Staff' dropdown menu is no longer open. The rest of the interface, including the item table, payment means section, and bottom buttons, remains the same.
