

Chart of Account

List of the accounts used by the organization in the company’s general ledger. Below actions are available from “*Chart of Account*”:

 Create new account; update, delete, view and search for an account

Field Name	Description	Mandatory Information
Account Name	Name of account	Y
Account Number	Account code	Y
Account Type	Type of account.	Y
Sub Account Type		N
Subaccount of	Parent group of the account	N
Currency	Which currency to use for the account	Y
Default Entity Type	Entities are Analytical Groups of Entity Types. They are used to assign specific accounts to specific entities. Examples of entities will be HQ and Commercial. Accounts mapped to HQ can be all corporate types of accounts (Unrealized Forex accounts, Transfer Price Margins, etc..). While the rest of the accounts that are more directly managed by the transacting entity will be under commercial. This property will then be used in the reports to split P&L between the various entities.Entities are created in the Analytical Groups Master view.	Y
Default Tax	Select the appropriate code from the drop down menu	N
Group by Level		N

Split Mode	For Income/Cost of Goods Sold type of account, choose “Analytical Group” option. For operational expense type of account, choose “Cost Center” option. Balance sheet accounts should be under “None”.This will enable a sub-ledger for the accounts that will be used by the system automatically in system transactions or in Journal Entry.Sub-ledger entries become mandatory when either Cost Center or Analytical Group is selected.	N
Enable From	Enter a date when the new code can be used from or alternatively leave blank for immediate usage.	N
Disable After	Enter a date when the new code should no longer be used from or alternatively leave blank for indefinite usage.	N
System Account	Select this option to make an account reserved for system entries. This is for example when an account is reserved for the sales module and you do not want any manual Journal Entry to use this account.	N
Corporate Tax Account	Tick this box if the account is Corporate Tax account type	N
Grouping Account	Tick this box to allow subgroups under the account	N
Partner Grouping Account	Tick this box if the account has Business Partner (Vendor, Customer, Employee) grouped under it. This option becomes only available if first the Account has been set as a Grouping Account.	N
Treasury Account	Tick this box if the account is Treasury account type. Treasury accounts are Loans accounts from Financial institutions, Credit Card Accounts, Factoring, etc..	N
Monetary Account	This will be automatically selected by the system when new accounts are created.Important Note : Bank account need to be created from the Bank Account Master. A linked account will automatically be created for that Bank Account. Cash account should be created from the Chart Of Account.Monetary account type allow user to consolidate multi-currency monetary items to be translated at the current rate. Non-monetary account type (e.g. inventory, fixed assets, and long-term investments) are translated at historical rates.	N
Description	Enter an appropriate description that best describes the purpose and use of the new Chart of Account	N

Please note that the Bank Account creation has to happen in the Bank Account view.

Description

Re-open Account
Create New
Save
Revert
Delete

By making an account ***“closed”***, it automatically becomes non postable and will not be proposed in all accounting transactions.

Delete Account

1. Double click on account to be deleted, it will bring up the selected account on the right side of the screen
2. Click on **“Delete”** button at the bottom right of screen
3. Click on **“Yes”** button on the pop-up window to confirm account deletion

The screenshot shows a 'Delete Account' form with various fields and a confirmation dialog box. The form fields include:

- Account Name: Reclasses
- Account Number: 7540
- Account Type: Long Term Liability
- Sub Account Type: (empty)
- Subaccount Of: 7500 - LT I/Co Payables / Quasi Investment
- Currency: SGD - Singapore Dollar
- Default Entity Type: ET01 - Commercial
- Default Tax: (empty)
- Group By Level: (empty)
- Split Mode: None
- Disable After: (empty)
- Partner Grouping Account: (empty)
- Treasury Account: (empty)
- Grouping Account: (empty)
- Monetary Account: (empty)

A confirmation dialog box is displayed in the center, asking 'Deleting record?' and 'Do you really wish to delete this record?'. It has 'Yes' and 'No' buttons. The 'Delete' button at the bottom right of the form is highlighted with a red box.

Please note that the system does not allow to delete an account that has been used to record transactions.

View and Search for Account Details

1. Enter search parameter to filter the result, i.e. type in the account name in the search text field box at the bottom of the screen.
2. Result can be filtered by clicking the **“Show”** drop-down list on top of the screen

3. Double click on account to view, it will bring up the selected account details on the right side of the screen

4. Right click on account to open and view it's register entries

5. Click "  " button on top of screen to export the chart of accounts as CSV file

The screenshot displays the 'Chart of Accounts' window. On the left, a tree view lists various accounts, including '9360 - Net Income Before Tax', '9340 - Operating Income', '9291 - Product Contribution (C2)', '9240 - Gross Margin (C1)', '9190 - Net Sales', '1000 - Gross Sales - Third Party', '1010 - Gross Invoiced Sales - Third Party', '1010.01 - Sales - SGD', '1010.02 - Sales - BND', '1010.03 - Sales - USD', '1010.04 - Sales - Co Packaging Income', '1010.05 - Rental Income - Office', '1010.06 - Rental Income - Warehouse', '1010.07 - Sales - Management Fees', '1010.08 - Sales - Warehouse', '1020 - Gross Free Goods - Third Party', '1100 - Returns', '1110 - Returns Actual', '1110.01 - Return Inwards - SGD', '1110.02 - Return Inwards - BND', '1110.03 - Return Inwards - USD', '1110.07 - Return Inwards (Suspense) - SGD', '1120 - Returns Accrual', '1200 - Discounts & Allowances', '1210 - On Invoice - Rebates', '1211 - On Invoice - Cash Early Payment', '1220 - Off Invoice - Bonus & Rebates', and '1220.01 - Range Discount / Sales Rebates / Co...'. The 'Export / Import' button is highlighted in the top left. The right pane shows the details for the 'Net Income' account (Account Number 9380). The details include fields for 'Account Name', 'Account Number', 'Account Type', 'Sub Account Type', 'Subaccount Of', 'Currency', 'Default Entity Type', 'Default Tax', 'Group By Level', 'Split Mode', 'Enable From', and 'Disable After'. There are also checkboxes for 'System Account', 'Corporate Tax Account', 'Grouping Account', 'Partner Grouping Account', 'Treasury Account', and 'Monetary Account'. A 'Description' text area is at the bottom. At the bottom of the window, there is a 'Search Engine' field and an 'Expand / Collapse List' button.
