

Demand Group

The purpose of the Demand Group application in the Master set menu allows the user to create group codes, which can be attached to customers for analyzing the demand, supply planning and reporting. Below are available actions for the user from **“Demand Group”** :

 Create new, revert and delete the demand group

 View and search group details

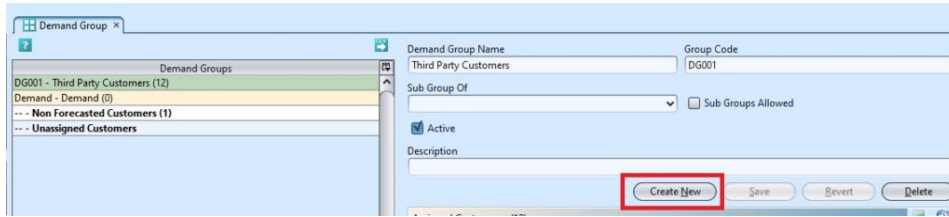

Field Name	Description	Mandatory Information
Demand Group Name	Name for the group	Y
Group Code	Alpha Numeric Code	Y
Sub Group of	Select the main demand group	N
Sub Groups Allowed	Tick if the main group allows to have sub group	N
Description	Self-Explanatory	N

Create New Demand Group

1. Click **“Create New”** button at the right side of

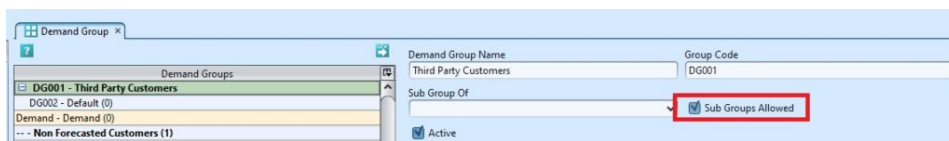

screen

The screenshot shows the 'Demand Group' form. On the left, a tree view lists 'Demand Groups' including 'DG001 - Third Party Customers (12)', 'Demand - Demand (0)', 'Non Forecasted Customers (1)', and 'Unassigned Customers'. The right pane contains fields for 'Demand Group Name' (Third Party Customers), 'Group Code' (DG001), 'Sub Group Of' (a dropdown), and a checkbox for 'Sub Groups Allowed'. There is also an 'Active' checkbox and a 'Description' field. At the bottom right, four buttons are visible: 'Create New' (highlighted with a red box), 'Save', 'Revert', and 'Delete'.

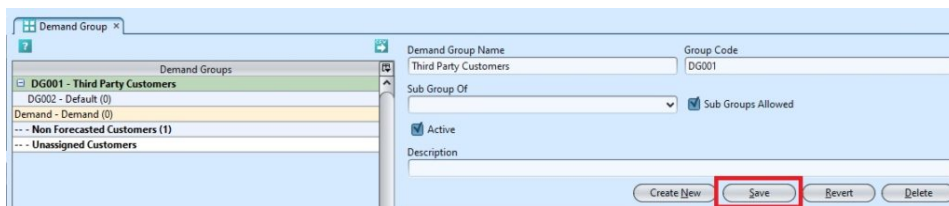

2. Fill up the information on the form on the right side of the screen

3. Optional: User is allows to create sub group under selected main demand group.

This screenshot shows the same 'Demand Group' form, but now the 'Sub Groups Allowed' checkbox is checked and highlighted with a red box. The 'Demand Group Name' is still 'Third Party Customers' and the 'Group Code' is 'DG001'.

4. Click **“Save”** button at the right side of screen when done.

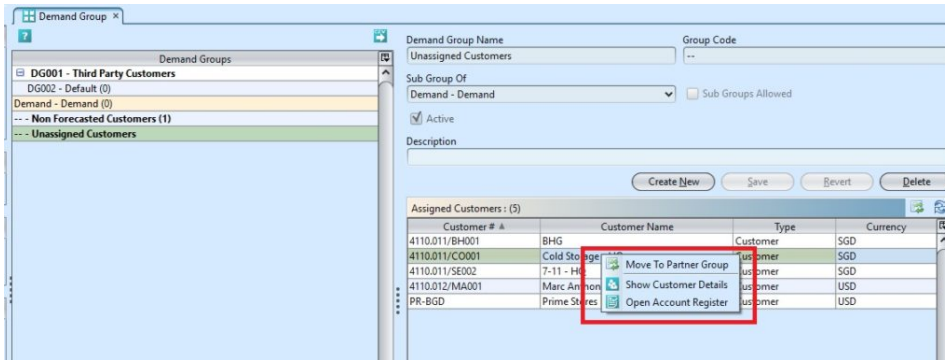

The screenshot shows the 'Demand Group' form with 'Sub Groups Allowed' checked. The 'Save' button at the bottom right is now highlighted with a red box, indicating it is the next step to click.

Update Demand Group Details

1. Double click on group to be updated, it will bring up the selected group details on the right side of the screen

2. Right click on assigned partner in **“Assigned Customers”** table at the bottom right of screen, and select **“Move to Partner Group”** to reassign it to another group. It will pop up a window with list of available partner group to choose from

3. Alternatively, user is allowed to move the partner group by clicking the  icon at the right side of the screen.

4. Click **"Save"** button at the bottom of the screen when done with the updates

Delete Demand Group

1. Double click on group to be deleted, it will bring up the selected group on the right side of the screen

2. Click on **"Delete"** button at the right side of screen

3. Click on **"Yes"** button on the pop-up window to confirm group deletion

View and Search for Demand Group Details

1. Enter search parameter to filter the result, i.e. type in the group name in the search textfield box at the bottom left of the screen.

2. Double click on group to view, it will bring up the selected group details on the right side of the screen

3. Right click on assigned customers in the bottom right table to open and view it's account register and customer details.

3. Choose a Partner Group and click ***“Ok”***

The 'Move To Partner Group' dialog box is shown. It has a title bar with a close button. The main text says 'Assign selected partners to another Partner Group.' Below this, a lightbulb icon is next to the instruction 'Please choose a Partner Group to which selected partners will be assigned to.' A dropdown menu labeled 'Partner Group:' has 'Unassigned Partners' selected. At the bottom are 'OK' and 'Cancel' buttons.
