

How to open Cash Register In the Morning

Start the Samooha application software then enter cashier's login and password.

- Open Point of Sale Entry under POS tab
- Cashier information is uploaded automatically based on username login.
- **To change to different cashier, close the Samooha application and login again under different username**
- Select Sales staff **(Need to do on opening or only for sales transactions)**
- Key in the cash amount the cashier is going to put in the cash drawer as the opening cash balance
