## Create New Customer

1. Click **“Create Customer”** link on top right of **“Customer List”** tab to create another customer record, it will open **“Customer Details”** tab with empty form

2. Fill up customer's information header and settings. Mandatory information is marked with **x** on the text field. For more information on each field please see the description table above.

**\*Note:** User must select either **“Outright”** or **“Consignment”** option in the **“Manage Store Sales”** list for the customer to be available as selection for **“Customer”** in **“Sales – Sell Out module”**. Sell Out module is for tracking and managing offtake sales of the customer.

Under each of the **“Address”**, **“Contact”** and **“Credit Term”** section, click the **“Add”** button at each section after filled up the details to save the entry and create new empty form for the section. User able to enter multiple entries for **“Address”**, **“Contact”** and **“Credit Term”** for each customer record.

3. Click **“Save”** button at the bottom of screen when done

4. Click **“Confirm Customer”** button and click **“Yes”** button to confirm the customer record

## Update Customer Details

1. On **“Customer List”** tab double click on customer to be updated, it will bring up the details on **“Customer Details”** tab for the selected customer

2. Make change(s) on the customer’s information

3. Click on **“Save”** button at the bottom of screen when done

4. Click on **“Revert”** button at the bottom of screen or refresh icon at the top of the screen to roll back the changes

## Delete Customer

1. On **“Customer List”** tab double click on customer to be deleted, it will bring up the details on “Customer Details” tab for the selected customer

2. Click on **“Delete”** button at the bottom of screen
3. Click on **“Yes”** button on the pop-up window to confirm record deletion

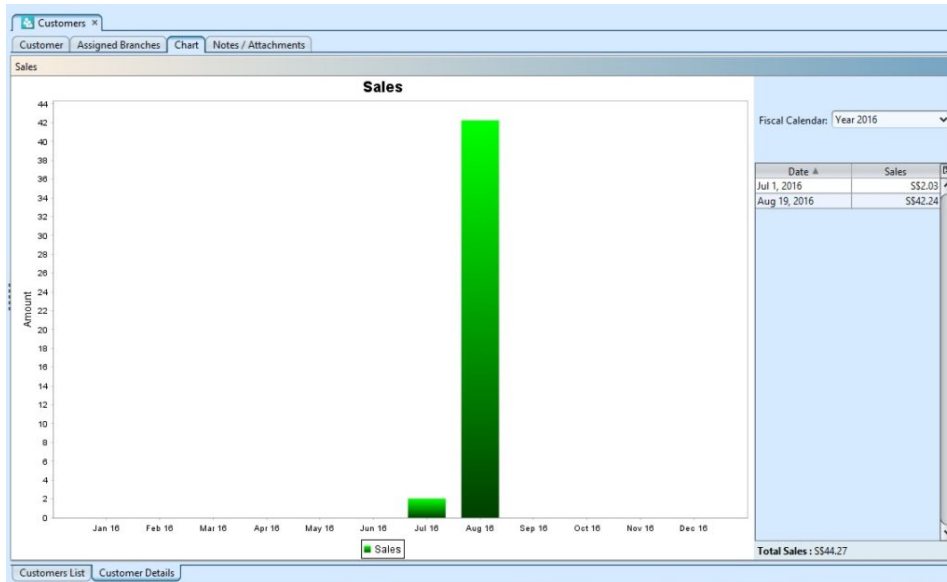

## View and Search for Customer Details

1. On **“Customer List”** tab enter search parameter to filter the result, i.e. type in name of the sales representative in the **“Sales Rep”** textfield box or select from drop-down list

The screenshot displays the 'Customers' window with the 'Customer List' tab active. At the top, there are search filters: 'Customer Channel' (set to '< Select All >'), 'Partner Group' (set to '< Select All >'), 'Grouping Account' (set to '< Select All >'), and 'Sales Representative' (set to '< Select All >'). A 'Create Customer' button is located on the right. Below the filters is a table with columns: Customer Code, Customer Name, Tax Number, Reference Code, Currency, Sales Representative, Credit Used, Payment Terms, and Status. The table lists various customers, including BHG, Cold Storage - HQ, Guardian - HQ, Luxola, Metro, Mustafa, Robinson, Sasa - HQ, Sasa - Gateway, Sasa - Changi, Sasa - Bugis, Sasa - Orchard, Sephora, Tang's Department Store, Takashimaya, Watsons - HQ, Marc Anthony Cosmetics Inc., and Prime Stores Bangladesh. A red circle highlights the 'Search Engine' button at the bottom left. The bottom status bar shows 'Drafted / Confirmed' and '1 of 17'.
