

Mobile HRMS – My Profile

Mobile HRMS – My Profile allows user to update profile information, including name and the email address associated with user account. User may change password as well here.

The screenshot shows the 'My Profile' page in the Mobile HRMS system. The page header includes the SAMOOHA logo, the text 'My Profile', the user name 'Gumi', and the user ID 'Noe Saglio'. The main content area features a 'My Profile Form' with the following fields and options:

- Full Name: Noe Saglio
- Email: noe.saglio@samooha.com
- Change Password:
- Old Password: [Empty field]
- New Password: [Empty field]
- Confirm Password: [Empty field]

At the bottom of the form, there are 'Close' and 'Save' buttons. The footer of the page contains the copyright notice: 'Copyright @ 2006-2014 Samooha (S) Pte Ltd. All Rights Reserved'.

Change User Details:

1. User's name can be changed by modifying the field "**Full Name**". User may also change their email in the "**Email**" field

This screenshot is identical to the previous one, but with red rectangular boxes highlighting the 'Full Name' and 'Email' input fields, the 'Close' button, and the 'Save' button. This highlights the fields mentioned in the text above.

2. Click on the "**Close**" button to discard changes. User may need to refresh the page and re-login to

bring back the previous data

3. Click on the **“Save”** button to save the change

Change Password:

1. Tick **“Change Password”** checkbox to change password

2. Enter current password in the fields **“Old Password”** and re-entering the same password in the **“Confirm”** field

3. Enter new password in the fields **“New Password”** and re-enter the same password in the **“Confirm Password”** field. System will prompt error, if the data entered in both the fields are not the same

My Profile Form
