

# Modify Retail Sales Price

The purpose of this application is to facilitate the changing of retail sale prices in realtime mode, the following are the process steps:-

1. Click Sales tab / Masters / Sales Price List
2. Open (double click) one of the price list to modify products' sale price

3. Click **"Reopen Approved Price List"** button and choose **"Yes"**

4. Choose product(s) to modify the selling price, change the price then press Enter key

5. Click **"Confirm Price List"** button and choose **"Yes"**

The screenshot shows the 'Sales Price List' form. At the top, there are tabs for 'Products List', 'Customers List', 'Assigned Branches', and 'Notes / Attachments'. Below these, there's a 'Product Brand' dropdown set to '< Select All >' and a 'Only Active Products' checkbox. A table lists products with columns for 'Product #', 'Product Name', and 'List Price'. The first row is highlighted. At the bottom, the 'Confirm Price List' button is highlighted with a red box. Other buttons like 'Create New', 'Save', 'Revert', and 'Delete' are also visible.

Product #	Product Name	List Price
2195982122500	CVG - BF HHL Rock on Blue 7g	RM129.9000

6. Click **"Approve Price List"** button and choose **"Yes"** to approve the list changes

The screenshot shows the 'Sales Price List' form with the 'Confirmed' status at the top right. The form fields include 'List Code' (RSP01), 'List Name' (Retail Selling Price), 'Effective From' (01/01/2015), 'Valid Till' (31/12/2015), 'Currency' (MYR - Malaysian Ringgit), and 'Tax' (Price Excludes Tax). Below these, there's a 'Product Brand' dropdown and a 'Only Active Products' checkbox. A table lists products with columns for 'Product #', 'Product Name', and 'List Price'. The first row is highlighted. At the bottom, the 'Approve Price List' button is highlighted with a red box. A dialog box is open in the center, asking 'Approve Document?' with a message: 'Please note that the approved document can not be re opened!'. The dialog has 'Yes' and 'No' buttons.
