The screenshot shows a form for creating a Commercial Note. On the left, there are eight lines for text entry. Line 1 contains the text: "The products that are sold are for Export Purposes and shall not be sold in Singapore." On the right, there is a larger text area labeled "Description" containing the same text. At the bottom right, there are four buttons: "Create New", "Save", "Revert", and "Delete". The "Save" button is highlighted with a red box.

4. The commercial note is now available for use in **"Account - (Masters) Customers"** under **"Commercial Note"** drop-down list. This note will show up at the footer of invoice for the selected customer.

The screenshot shows the "Customer Details" form for a customer named "Sephora". The form is divided into several sections: "Customer Information", "Settings", "Payee Customer", "Inter Company Organization", and "Address". In the "Settings" section, there is a "Commercial Note" dropdown menu. The dropdown is open, showing two options: "Export - Product for Export Only" and "Price List Type". The "Export - Product for Export Only" option is highlighted with a red box. The "Customers" tab in the Accounts Explorer is also highlighted with a red box.
