

Product Settings

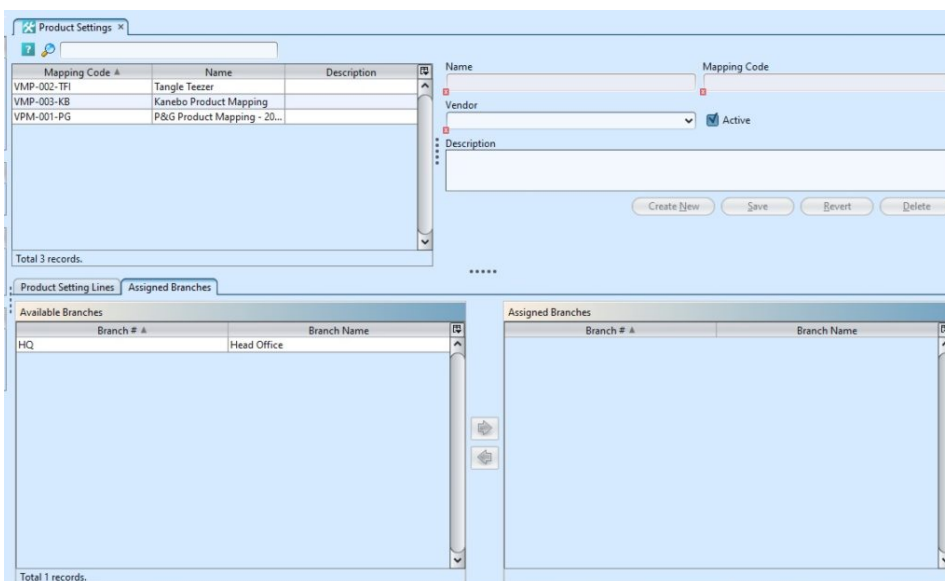

The product settings is where the user can create a product mapping to the selected product category from a Vendor. The user are able to create new, Save, Revert and Delete a record. This is also where user the Minimum Order Quantity and the Order Pack Quantity is also encoded. Below are available actions for the user from **“Product Setting”** :

 Create new, Save, Revert and Delete a record.

 Search for product setting

The screenshot shows the 'Product Settings' window. At the top, there is a search bar and a table with columns: Mapping Code, Name, and Description. The table contains three rows: VMP-002-TFI (Tangle Teezer), VMP-003-KB (Kanebo Product Mapping), and VPM-001-PG (P&G Product Mapping - 20...). Below the table, it says 'Total 3 records.' To the right of the table is a form for editing a record, with fields for Name, Mapping Code, Vendor, and Description. There is a checked 'Active' checkbox. At the bottom of the form are buttons for 'Create New', 'Save', 'Revert', and 'Delete'.

This screenshot shows the same 'Product Settings' window, but with the 'Assigned Branches' tab selected. Below the main table, there are two sub-tables. The first is 'Available Branches' with columns 'Branch #' and 'Branch Name', containing one row: HQ (Head Office). The second is 'Assigned Branches' with columns 'Branch #' and 'Branch Name', which is currently empty. There are arrows between the two tables to move items. At the bottom left, it says 'Total 1 records.'

Field Description	Description	Mandatory Information
Name	Self-Explanatory	Y
Mapping Code	Unique Code	Y
Vendor	Minimum Days Of Cover	Y
Active	Average Days Of Cover	N
Description	Free text	N

Create New Product Setting

1. Click **“Create New”** button at the right side of screen

The screenshot shows the 'Product Settings' form. On the left, there is a table with columns 'Mapping Code', 'Name', and 'Description'. The table contains three rows: 'VMP-002-TF1' with 'Tangle Teezer', 'VMP-003-KB' with 'Kanebo Product Mapping', and 'VPM-001-PG' with 'P&G Product Mapping - 20...'. On the right, there are input fields for 'Name' (P&G Product Mapping - 2015), 'Mapping Code' (VPM-001-PG), 'Vendor' (6002.001/PG001 - Procter & Gamble Prestige), and a checked 'Active' checkbox. A 'Description' field is also present. At the bottom right, there are buttons for 'Create New', 'Save', 'Revert', and 'Delete'. The 'Create New' button is highlighted with a red box.

2. Fill up the information on the form on the right side of the screen

3. Click **“Save”** button at the right side of screen when done.

4. Filter the product brand under the **“Product Setting Lane”** tab, fill up the information and click **“Enter”** or “”.

The screenshot shows the 'Product Setting Lines' table. The table has columns: 'Product#', 'Product Name', 'Vendor Product#', 'Vendor Product Uom', 'Minimum Order Qty', and 'Order Pack Qty'. The first row contains: 'BD07-007611', 'Cellumination Aura Essence 30ml', '5435776490', 'Each - Each', and '1'. The 'Enter' button (a plus icon) is highlighted with a red box.

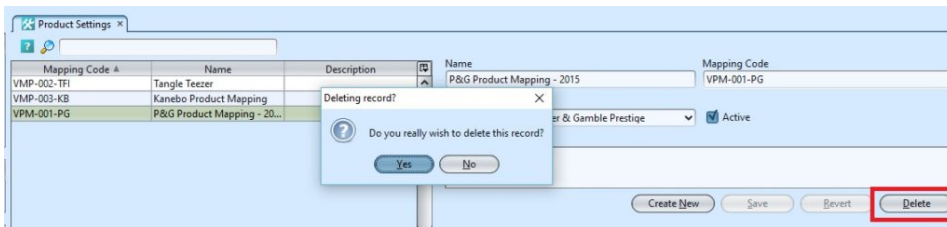

5. On **“Assigned Branches”** tab, a default branch (e.g. HQ) has been automatically assigned for the new price list. To assign another branch for the price list, select available branch from the bottom left table and click “” button in middle of screen
