Create New Purchase Forecast:

1. Click on **“Create New”** at the top right of screen of **“Purchase Forecast List”** tab, it will open **“Purchase Forecast”** tab with empty form

2. Fill up the information on the top half of screen then click **“Save”** button at the bottom right side of screen.

3. Filter the products list by selecting a brand from **“Product Brand”** drop-down list. Add product into the purchase order by searching for the product from the product drop-down list in the table on **“Items / Articles”** tab

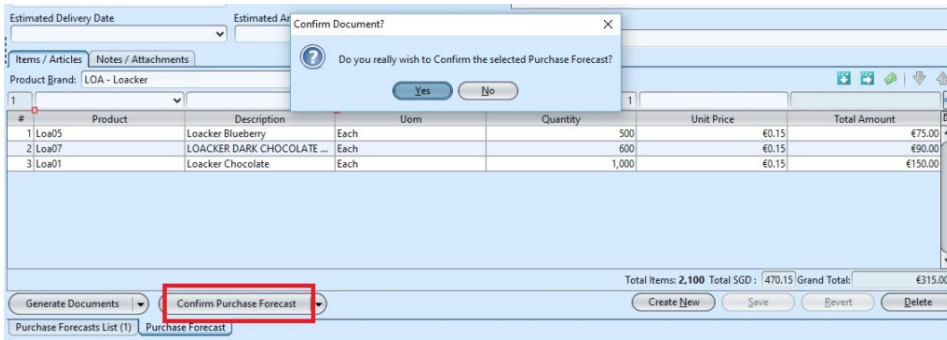

4. Enter the product’s info and click  button or **“Enter”** to add the product into the purchase forecast

5. There is also a tab for Notes and Attachments. Click on **“Notes / Attachments”** tab at the middle of screen to add notes or files attachment for the purchase forecast.

6. Click on **“Save”** button at the bottom right of screen when completed

7. Click on **“Confirm Purchase Forecast”** button at the bottom of screen to confirm the purchase forecast

8. Click on **“Approve Purchase Forecast”** button at the bottom of screen to approve the document.

9. The user must Confirm the Purchase Forecast and has the ability to Generate the following documents : Generate Similar Forecast and Generate Purchase Order.

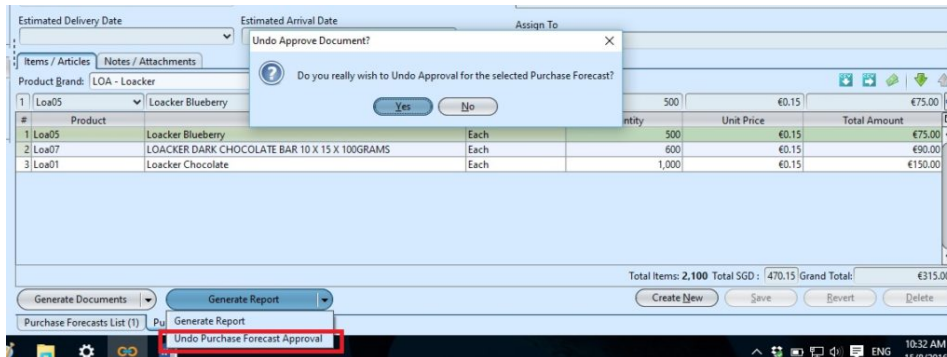

10. Click arrow on **Generate Report** button at the bottom left of screen to generate the purchase forecast report.

Update Purchase Forecast Details:

1. Click on **"Purchase Forecast List"** tab at the bottom of screen
2. Double click on purchase forecast to be updated, it will bring up the details on **"Purchase Forecast"**

tab for the selected document. If a purchase forecast's status is **"Confirmed"** or **"Approved"**, click arrow on the **Generate Report** button and select reopen / undo approval of the purchase forecast first.

3. Make change(s) on the purchase forecast information

4. Click on **"Save"** button at the bottom right of screen when done

5. Click on **"Revert"** button at the bottom right of screen or refresh icon at the top of the screen to roll back the changes

6. Click on **"Confirm Purchase Forecast"** button at the bottom of screen to confirm the purchase forecast

7. Click on **"Approve Purchase Forecast"** button at the bottom of screen to approve the document.

Delete Purchase Forecast:

1. Click on **"Purchase Orders List"** tab at the bottom of screen

2. Double click on purchase forecast to be deleted, it will bring up the details on **"Purchase Forecast"** tab for the selected document. If a purchase forecast's status is **"Confirmed"** or **"Approved"**, click arrow on the **Generate Report** button and select reopen / undo approval of the purchase

forecast first.

3. Click on **“Delete”** button at the bottom right side of screen

4. Click on **“Yes”** button on the pop-up window to confirm the deletion.

View and Search for Purchase Forecast Details:

1. In the purchase forecast list the users are able to view the lists of Purchase Forecast, which have different statuses i.e in the Show: Purchases Order Not Created and Purchase Order Created. In the Statuses they can select Draft/Confirm, Draft, Confirm, Approved, Accepted and Closed.

2. Enter search parameter to filter the result, i.e. type in which vendor to search for in the **“Vendor”** text field box or select from drop-down list

3. The user can double Click on any line item which will take them into the full detailed document list

in Purchase Forecast.
